<sup>1</sup> Because this unpublished Decision contains a reasoned explanation for the action in this case, I am required to post it on the United States Court of Federal Claims' website in accordance with the E-Government Act of 2002. 44 U.S.C. § 3501 note (2012) (Federal Management and Promotion of Electronic Government Services). **This means the Decision will be available to anyone with access to the internet.** In accordance with Vaccine Rule 18(b), Petitioner has 14 days to identify and move to redact medical or other information, the disclosure of which would constitute an unwarranted invasion of privacy. If, upon review, I agree that the identified material fits within this definition, I will redact such material from public access.

December 29, 2021, a decision was issued awarding compensation to Petitioner based in the amount of \$120,658.26. (ECF No. 65).

Petitioner has now filed a motion for attorney's fees and costs, dated March 15, 2022 (ECF No. 71), requesting an award of \$76,429.17 for attorney's fees and costs in the following amounts:

1. the amount of \$3,665.15, representing \$3,655.00 in fees and \$10.15 in costs, for work performed and costs incurred while at his current law firm, Bosson Legal Group; and
2. the amount of \$72,764.02, representing \$71,650.70 in fees and \$1,113.32 in costs of work performed and costs incurred while at his former law firm, Christopher & Toale, PA.

(*Id.*). In accordance with General Order No. 9, Petitioner filed a signed statement indicating that she incurred no out-of-pocket expenses. (ECF No. 71-5). Respondent reacted to the motion on March 22, 2022, indicating that he is satisfied that the statutory requirements for an award of attorney's fees and costs are met in this case, but deferring resolution of the amount to be awarded at the Court's discretion. (ECF No. 72). On March 23, 2022, Petitioner filed a reply requesting "an award of attorney's fees and costs in the amounts specified in Petitioner's Motion." (ECF No. 73).

I have reviewed the billing records submitted with Petitioner's request. In my experience, the request appears reasonable, and I find no cause to reduce the requested hours or rates. The Vaccine Act permits an award of reasonable attorney's fees and costs. Section 15(e). **Accordingly, Petitioner is awarded the total amount of \$76,429.17<sup>3</sup> as follows:**

- **A lump sum of \$3,665.15, representing reimbursement for attorney's fees and costs, in the form of a check payable jointly to Petitioner and Petitioner's counsel, Bosson Legal Group and**
- **A lump sum of \$72,764.02, representing reimbursement for attorney's fees and costs, in the form of a check payable jointly to Petitioner and Petitioner's former counsel, Maglio Christopher & Toale, P.A.**

<sup>3</sup> This amount is intended to cover all legal expenses incurred in this matter. This award encompasses all charges by the attorney against a client, "advanced costs" as well as fees for legal services rendered. Furthermore, § 15(e)(3) prevents an attorney from charging or collecting fees (including costs) that would be in addition to the amount awarded herein. See *generally Beck v. Sec'y of Health & Human Servs.*, 924 F.2d 1029 (Fed. Cir.1991).

In the absence of a timely-filed motion for review (see Appendix B to the Rules of the Court), the Clerk shall enter judgment in accordance with this decision.<sup>4</sup>

**IT IS SO ORDERED.**
